EMPOWERING COMMUNITIES WITH MINDFULNESS

Seeds of Awareness is a collaboration of psychotherapists, psychologists, school counselors, and educators who provide therapeutic and educational services to schools and community members. Seeds of Awareness offers wrap around support to schools and communities utilizing our mindfulness-based methodologies. We are changing the world we live in, supporting our communities one school at a time.

Our mission is to transform schools and communities by cultivating empathy, connection and awareness. We value diversity and social equity in all aspects of our organization. We aim to increase access of social-emotional services to communities that have been systematically marginalized.
