Redwood Empire Chapter

of California Association of Marriage and Family Therapists

Mission statement: "The purpose of RECAMFT is to promote and maintain professional competence and integrity with knowledge, innovation, compassion, humor and respect for human dignity and diversity. We do this by providing opportunities for networking, education and community outreach."

Dear friends:

Would you like an opportunity to showcase your goods and services to an active, outstanding group of professional mental health providers in Sonoma county?

Redwood Empire California Association of Marriage and Family Therapists (RECAMFT) is excited to offer Community Partnerships with sponsors of our events. We offer five levels of sponsorship ranging from \$250 to \$2500.

What are the benefits to a sponsor?

- Your name will appear on multiple marketing materials.
- Your logo and link to website will go via our eblast announcements to up to 1500+ mental health professionals.
- You will receive an ad in our monthly newsletter (copy due by the 15th to be included in the following month's newsletter). Grand, Platinum and Gold sponsors will be featured on the RECAMFT Home and Events page at RECAMFT.org.
- Grand, Platinum and Gold sponsors will be featured for up to one year on the RECAMFT Salutes page at RECAMFT.org, dedicated to showcasing sponsors who support mental wellness in our community.
- You will be given a dedicated table or space at most sponsored event. Up to two representatives of your company may attend the event at no charge, and can interact informally before the event starts, during breaks/lunch, and for 15 minutes after the close of the event.
- Sponsors will receive recognition on the day of the event and have an opportunity to make public announcements.

RECAMFT is particularly excited our annual Law and Ethics Day Long workshop will occur again in January 2019. We hope you will seriously consider partnering with us as a sponsor for this very important training which is sure to be attended by a large number of mental health professionals from Sonoma County and surrounding counties. We plan to offer a Fall Conference 2019 as well, another great opportunity.

Additionally, you may be interested in sponsoring one of our monthly speaker meetings, which take place the first Friday of each month in Santa Rosa.
