“The purpose of RECAMFT is to promote and maintain professional competence and integrity with knowledge, innovation, compassion, humor and respect for human dignity and diversity. We do this by providing opportunities for networking, education and community outreach.”

-- RECAMFT Mission Statement

RECAMFT Diversity Statement

RECAMFT welcomes the participation of therapists of any ethnicity, race, age, sexual orientation, gender identity, socioeconomic background, physical ability, national origin and religious affiliation. We also seek to promote awareness and sensitivity among our membership of the diverse nature of our potential clients here in Sonoma County.

We ask you, as a presenter at an upcoming RECAMFT meeting, to please consider how your presentation can further our intentions in this respect. Specifically, RECAMFT requests that you use language that is inclusive of all people, and that in your examples or case studies you do your best to discuss diverse clients. Please also take the time to address how your topic might relate to minority populations in addition to majority populations.

Thank you in advance for your participation in manifesting our collective desire to be as welcoming as possible to all of our members and our clients and prospective clients.

RECAMFT Video Film Release

RECAMFT generally films its speakers, which enhances the speaker's web presence, and reputation (assuming the presentation is good), and gives our members an additional chance to review missed speakers, or re-watch presentations. You can see the high-quality videos we provide for our members and speakers at this web address: <http://recamft.org/videos>.

We record them in two 45-minute sections. The first section is posted on YouTube for the public to view. The second 45-minute section is on YouTube at a private address only available for RECAMFT members to watch.

At some future date, RECAMFT anticipates being able to provide CEUs by allowing a person to watch the entire presentation, and provide answers to a post-test. We may charge a fee for this service. By agreeing to be filmed, you waive your right to claim any portion of this income.

If you give permission to film your presentation, you will receive a DVD of your talk, in addition to our speaker honorarium.

I give permission for RECAMFT to film my presentation, and waive my right to any future income RECAMFT may obtain from my presentation.

I give permission for RECAMFT to film my presentation but I do NOT want the first 45 minutes to be made available to the public.

I do not give permission for RECAMFT to film my presentation.
